

QUICK START GUIDE

Rockbot TV

Starting and scheduling TV for the first time

- 1. Click on TV icon in the left sidebar then click the Schedule tab.
- 2. Select New Schedule on the left of the screen.

`O' **Tip:** "Play Now" will change your TV channel in real-time without editing the schedule.

- 5. If you're on the Channels tab, navigate back to the Schedule tab.
- 6. Select Days and Times for your schedule to be active. Note: Only one channel can be scheduled to play at a time. Content must be scheduled to play for the entire timeframe (TV hours).
